Care and Package Management:

Our Care Partners visit you in your own home and determine your needs, preferences, and wants regarding the services you require. They will work with you to establish an agreement that documents the agreed services. SWCC Care Partners also coordinate the delivery of your services and ensure they align with other supports you have in place. Our Care Partners also make sure your services are delivered in a manner that maintains your dignity and your choices, whilst respecting your culture and any other specific needs you may have.

Contact one of our friendly Care Partners to discuss your service needs and preferences. SWCC Care Partners are located in your local community, and they are more than happy to visit you in your own home at your request.

We will not charge:

- Package Management in a month where you do not receive any services other than Care Management (excluding the first month your HCP Package commences)
- Exit Fees

Care Management includes: regularly assessing your needs, goals and preferences, review of your home care agreement and care plan, ensuring your care and services align with other supports, partnering with you and your family or carers about your care, ensuring your care and services are culturally safe, identifying and addressing risks to your safety, health and well-being.

Package Management includes: establishing and managing home care budgets, coordinating and scheduling services and workers, preparing invoices and monthly statements, adhering with compliance, regulatory and assurance activities.
